

Launching of a new Total Return Index, SEMTRI-ASI

The Stock Exchange of Mauritius is pleased to announce the launching of a new Total Return Index, SEMTRI-ASI, on the 10th of October 2016, following the recent launch of the SEM All Share Index (SEM-ASI) on September 12, 2016.

The new index will track the price performances of SEM-ASI's constituents and assume that the dividends paid by these constituents are reinvested in the same underlying constituents. SEM-ASI includes all the constituents of SEMDEX as well as all foreign-currency denominated (USD, EURO, GBP and ZAR), Global Business Companies and international companies.

SEMTRI-ASI's opening level on the 10th of October will be based on SEMTRI's closing level on the 7th of October.

Issuers, Investors and the public are invited to consult the following website link www.stockexchangeofmauritius.com/downloads/sem12092016.pdf for a detailed description of all SEM Indices.
