FOR IMMEDIATE RELEASE

Mr. Tim Hogben - Incoming Chief Executive Officer

The Stock Exchange of Mauritius Ltd (SEM) is pleased to announce that the SEM Board has appointed Mr. Tim Hogben as Chief Executive Officer of the SEM, effective 2 December 2026, subject to regulatory approval.

Tim Hogben is a seasoned professional, bringing over two decades of senior leadership experience and expertise across Global Capital Markets, Financial Market Infrastructure and Market Operations, with an international career spanning multiple regions and financial centres. He brings a rare combination of deep market infrastructure expertise, with proven stewardship in spearheading commercial and strategic growth, driving operational excellence in both traditional assets and digital assets through next-generation financial technologies, as well as enhancing competitive positioning through ongoing strategic and technology-enabled transformation.

He has held senior executive roles at one of the top-bracket Exchanges globally, namely the Australian Securities Exchange (ASX), including Group Executive Securities & Payments and Chief Operating Officer, and served for more than a decade on ASX's Executive Committee. He led major operational, technology and resilience reform programs, modernised core market infrastructure and delivered enterprise-wide transformation initiatives that strengthened ASX's commercial performance and competitive positioning over time.

The Board of the SEM is confident that his deep industry expertise, strategic acumen and stakeholder relationships globally will position the Exchange for success in a rapidly evolving and challenging financial landscape. The Board is looking forward to working with him to lead the institution into its next chapter.
